STS-11

Dear Professor Mira Pucarević,

Since your area of expertise fits very well within the framework of the following International Conference that will be organized by the Faculty of Occupational Safety, we would like to invite you to take part in it by providing an invited paper and lecture.

The conference is entitled *Safety of Technical Systems in Living and Working Environment*, and is being organized as a part of the 16th conference of the series "Man and Working Environment". The Conference will take place at the University of Nis, Faculty of Occupational Safety in Niš, Serbia, October 27-28, 2011.

The main purpose of the Conference is to provide the exchange of scientific knowledge and practical experiences in the field of safety of technical systems from various aspects.

Please take my proposal into consideration and inform me about your decision as soon as possible.

For further details, do not hesitate to contact us or visit the web address: www.znr fak.ni.ac.rs/STS2011.

Looking forward to seeing you in Niš!

Yours sincerely,

Chairman of the Organizing Committee

Prof. Ivan Krstić, Ph.D.

Chairman of the Scientific Committee

Prof. Dejan M. Petković, Ph.D
