БИБЛИОГРАФИЈА

1.	Fullerenol/doxorubicin nanocomposite mitigates acute oxidative stress and modulates apoptosis in myocardial tissue Mariana Seke, Danijela Petrovic, Aleksandar Djordjevic, Danica Jovic, Milica Labudovic Borovic, Zdenko Kanacki and Milan Jankovic *Nanotechnology*, 2016, **27**, 485101 10.1088/0957-4484/27/48/485101 https://iopscience.iop.org/article/10.1088/0957-4484/27/48/485101	M21
2.	Significance of diarylheptanoids for chemotaxonomical distinguishing between *Alnus glutinosa* and *Alnus incana* Vera Vidaković, Miroslav Novaković , Zorica Popović , Milan Janković , Rada Matić , Vele Tešević, Srdjan Bojović *Holzforschung*, 2018, **72** (1), 9-16. 10.1515/hf-2017-0074 https://www.degruyterbrill.com/document/doi/10.1515/hf-2017-0074/html	M21
3.	Residential heating contribution to level of air pollutants (PAHs, major, trace, and rare earth elements): a moss bag case study Gordana Vuković, Mira Aničić Urošević, Miodrag Pergal, Milan Janković, Zoya Goryainova, Milica Tomašević, Aleksandar Popović *Environmental Science and Pollution Research*, 2015, **22** (23), 18956-18966 10.1007/s11356-015-5096-0 https://link.springer.com/article/10.1007/s11356-015-5096-0	M21
4.	Moss Biomonitoring of Organic Pollutants: Up-to-date Achievements, Needs and Potentials Jovanović, Gordana ; Aničić Urošević, Mirjana ; Herceg Romanić, Snježana ; Mendaš, Gordana ; Janković, Milan ; Popović, Aleksandar u Advances in Environmental Research, Volume 90, 2022, 1-42, edited by Daniels, Justin A. New York (NY): Nova Science Publishers, ISBN: 978-1-68507-931-4	/
5.	Convergence Chromatography as an Emerging Technique for Determination of PAHs in Biomonitors. Milan Janković; Gordana Vuković; Mira Aničić Urošević; Tijana Milićević; Aleksandar Popović (2017). *Proceedings of the 6th International WeBIOPATR Workshop & Conference (Particulate Matter: Research and Management)*vin.bg.ac.rs (Belgrade, Serbia, 2017).	/
6.	Lipophilicity assessment using the biomimetic immobilized artificial membrane chromatography. Darija S. Obradović; Vladimir R. Vlatković; Tijana D. Milićević; Milan R. Janković; Saša S. Lazović (2024). *10th Conference of Young Chemists of Serbia – Book of Abstracts*shd.org.rs (Belgrade, Oct 2024).	/
